Our grassroots care collective prioritizes emotional and mental health

Who We Serve:

6,576 participants:

- 18% houseless
- 27% parents
- 20% students
- 32% queer
- 23% African
- 23% Latine

intersectional community percentages >100

Strategic Plan:

- Direct action to protect & sustain social change
- Teach and use interdependent land-based techniques
- Build alternative systems to achieve liberation for all
- Tend the soul wounds of intergenerational trauma
- Nourish & build up future leaders

Cost of Care:

13.72$ per community member. In a successful effort to become more efficient we obtained a 2018 RAM 2500 and office space, which doubled our distribute pounds and increased our cost of care by 10$ per member.
