Artistic Apothecary Retrospective 2017-2026

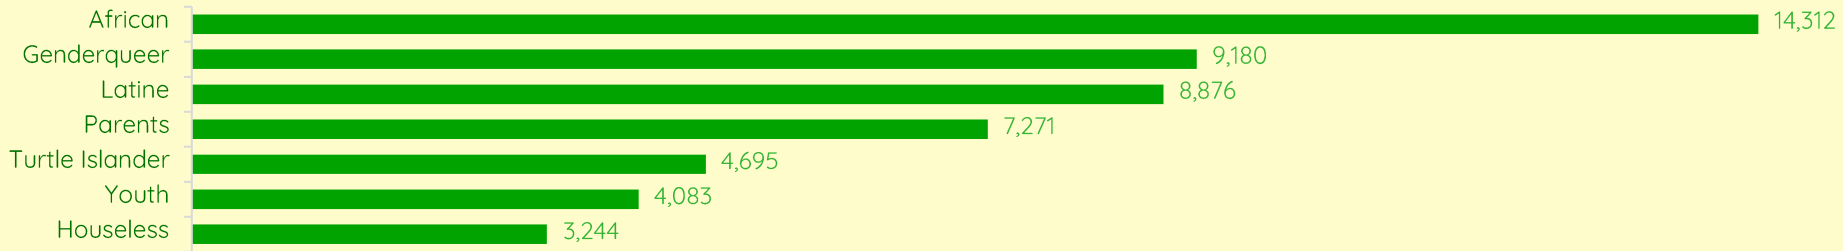

Inspire ~ Intrigue ~ Ignite

For over a decade Artistic Apothecary thrives as a BY US, FOR US one stop haven for social determinants of health. With our small team, skilled volunteers and 27 liberatory partners we offer creative tactics towards impactful, long-term, systemic change.

Total People Served:
43,553

Our continuity of care sustains a large range of resources and wrap around services that customize and streamline healthcare. We annually deliver high quality services to low-income families regardless of our actual budget, exceeding 75% of our goals. (flexible placement)

Identities & Intersections Chart

Note: Bars/numbers represent total count of participants identifying with each category per year of operation; due to intersectionality of our community and curation of categories in this chart, counts will not sum to Total People Served.

Total Earnings:
282,550$

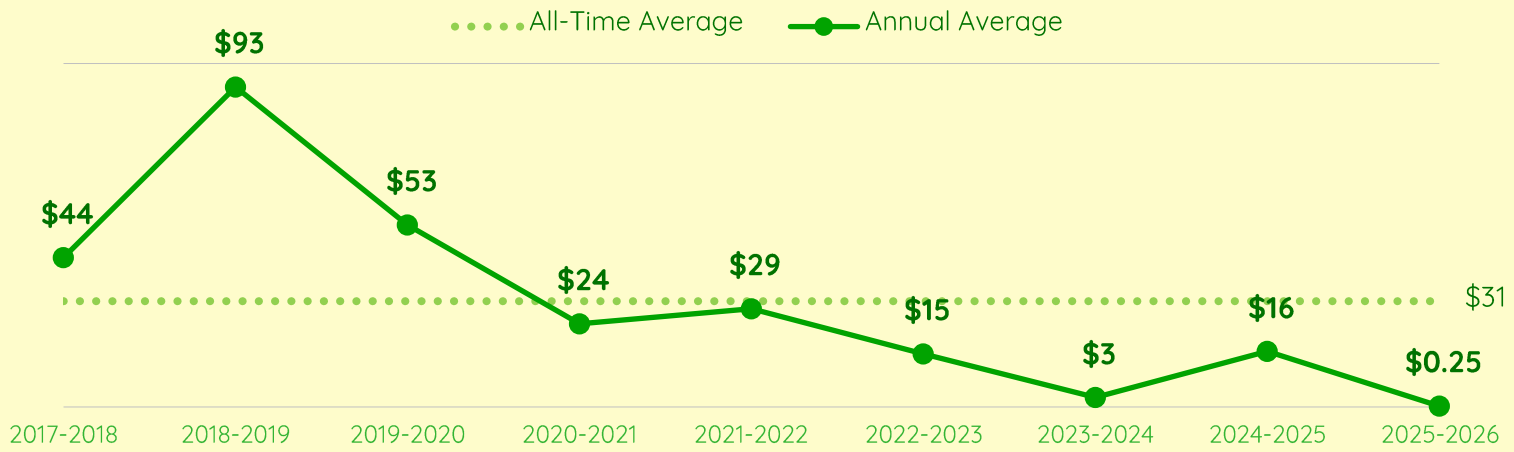

In 2011, we founded as a grassroots collective gaining our first foundation grant in 2017 as an organized club. In 2018, we signed a 5 year fiscal sponsorship agreement that prepared us for our 501(c)(3) status in 2023.
